

CALL for POSTERS

Telehealth

AT THE CROSSROADS

MAY 23-24, 2019 — AUSTIN, TX

The 2019 Telehealth at the Crossroads conference is currently accepting abstracts for poster presentations. Posters may focus on original descriptive or analytic studies related to telehealth, or they may explore issues related to connected health, virtual care, mHealth or health IT.

FORMAT REQUIREMENTS

Submissions must include:

- Title: A maximum of 10 words that describe your poster
- Names/Affiliations: Contact details for all authors, including email addresses and phone numbers
- Abstract: Summary of poster not to exceed 300 words

Posters should be no larger than 40 x 48 inches.

REGISTRATION

All presenters may register for the conference at a discounted student rate. Registration details are available on the 2018 conference website: www.CrossroadsConference.us

POSTER PRESENTATIONS

Presenters should be present to display posters and answer questions during at least one of two scheduled conference session breaks on Thursday, May 23.

NOTIFICATION

Email abstracts to scott.g.phillips@ttuhsc.edu on or before **April 19, 2019**.

Authors will be advised of acceptance upon review.
