

Telehealth at the Crossroads

A One-Day Workshop

Lubbock, TX — July 8, 2020

**SAVE *the*
DATE**

Join us at the TTUHSC Academic Event Center on Wednesday, July 8 for a daylong dive into real world telehealth solutions. Learn the real challenges to implementing telehealth and how others have broken through barriers. Explore policies, sustainability, and new ways to shrink the distance between quality health care and the wide open spaces in our region.

- ✓ New federal and regional policy developments
- ✓ Telehealth reimbursement updates
- ✓ Choosing the right service provider for you
- ✓ Real world challenges and solutions from active telehealth programs
